

Cholesterol Free Egg Crystals

What is it?

OvaEasy is an all-natural, dried egg crystal that replaces fresh eggs, dried egg powders, liquid eggs and frozen eggs. OvaEasy has all the benefits of a dried egg powder but with a natural fresh taste. It is made with a revolutionary process that gently extracts water while preserving the delicious flavor and nutritional benefits of fresh eggs.

Best of all, OvaEasy Cholesterol Free Egg Crystals have absolutely no fat or cholesterol!

Why is it better?

OvaEasy beats powdered, liquid, frozen and even fresh eggs!

- **Taste:** natural, fresh taste
- **Nutrition:** cholesterol and fat free
- **Storage space:** 1 case of OvaEasy replaces 4 cases of liquid, frozen or fresh eggs
- **Ease of use:** disperses in water in seconds with no clumping, thawing or egg cracking mess
- **Refrigeration:** requires no refrigeration
- **Shelf life:** shelf stable for two years
- **Safety:** HACCP friendly

How do I use it?

OvaEasy is very easy to prepare: simply add water, whisk and cook. Once OvaEasy is reconstituted with water, it behaves exactly like any liquid egg . . . because it is!

APPLICATIONS

- Gourmet omelettes
- Scrambled eggs
- French toast
- Cakes
- Cookies
- Pies

. . . or anywhere else you can use liquid egg!

Cholesterol Free!

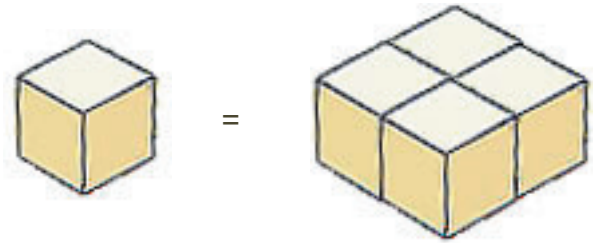

Fat Free!
