

Whole Egg Crystals

What is it?

OvaEasy is an all-natural, dried whole egg crystal that replaces fresh eggs, dried egg powders, liquid eggs and frozen eggs. OvaEasy has all the benefits of a dried egg powder but with a natural fresh taste. It is made with a revolutionary process that gently extracts water while preserving the delicious flavor and nutritional benefits of fresh eggs.

Why is it better?

OvaEasy beats powdered, liquid, frozen and even fresh eggs!

- **Taste:** natural, fresh taste
- **Nutrition:** gentle drying process preserves egg's natural nutritional benefits with no additives
- **Storage space:** 1 case of OvaEasy replaces 4 cases of liquid, frozen or fresh eggs
- **Ease of use:** disperses in water in seconds with no clumping, thawing or egg cracking mess
- **Refrigeration:** requires no refrigeration
- **Shelf life:** shelf stable for two years
- **Safety:** HACCP friendly

How do I use it?

OvaEasy is very easy to prepare: simply add water, whisk and cook. Once OvaEasy is reconstituted with water, it behaves exactly like any liquid whole egg ... because it is!

APPLICATIONS

- Gourmet omelettes
 - Scrambled eggs
 - French toast
 - Cakes
 - Cookies
 - Pies
- ... or anywhere else you can use liquid whole egg!

All natural whole egg!
No additives!
